List this information in the Additional Details/Special Instructions section of the entry form.

SCHEDULING NOTE: It is Nebraska Sports Council policy to not release team or divisional information until after the entry deadline. With teams waiting until on or near the deadline to enter, releasing data prior to that day does not provide an accurate picture of the tournament field and serves only to discourage those taking a wait-and-see approach.

All teams are encouraged to take advantage of the early entry discount and enter prior to that deadline, which in turn generates additional interest as teams attract one another. In the rare event that a division does not supply enough teams to warrant a viable tournament, teams will be given the option to move to another division, or be issued a refund. We appreciate the understanding of coaches and parents on this matter and would encourage teams to enter early and trust that there will be adequate competition in all divisions.
