IMPORTANT NOTES:

The number of players added to the roster must meet the minimum roster size requirements to view available events on the event selection page.

All players on the roster must meet the age and gender requirements to view available events on the event selection page.

Some sports may require additional sport-specific information such as membership numbers. Please double check your sport info for these details before registering.

Once you get to the Checkout page, **payment in whole is needed to pay for the team and complete the registration**. If you do not pay right away, your team registration will remain in the shopping cart for 48 hours before automatically clearing.

TEAM BOX SHIPPING: When adding players to your roster, you must select the TEAM option in the Individual Athlete Packet Shipping dropdown menu. This will assure that individual packet shipping charges are not added per player. You will have the option of selecting team box shipping during a later step of registration.

FRIENDLY HINT: Don't use your browser's Back button to navigate back through the registration steps. If you need to go back, use the BACK button located at the bottom of the registration page.

QUESTIONS? If you have questions about the online registration process, or are having troubles registering online, please email info@nebraskasportscouncil.com or call 402-471-2544 for assistance. Any sport-related questions can be directed to your sport director.
