

2022 Cornhusker State Games High School Ambassador Application

Our organization is now accepting applications for High School students to serve as Ambassadors of the Cornhusker State Games. Ambassadors will promote the 37th annual Cornhusker State Games and the Torch Run to their school and community. We are looking to partner with High School students across the state of Nebraska to assist our organization in educating the public and creating awareness about our Olympic-style amateur sports festival. The Ambassador Program will provide High School students with valuable experience in marketing, communications, and public relations. Our Ambassadors will be an extension of the Cornhusker State Games team in their own high school and community!
